RHEUMATISM

CURED AT LAST

Good News for All Who

Suffer With Rheuma-

tism Free.

To all who suffer with Rheumatism I will
gladly send free the wonderful story of how my
mother was cured after years of suffering, to-
gether with the most elaborate treatise on
Rheumatism ever published.No matter what your form of Rheumatism is,
whether acute, chronic, muscular, inflammatory,
rheumatic, sciatic, neuralgia, gout, lumbago,
etc., no matter how many doctors have failed in
your case—no matter how many so-called
"cures" you have tried—I want you to write to me
and let me tell you how my mother was cured.I am neither a doctor nor a professor—simply
a plain man of business—but I have a CURE for
Rheumatism, and I want to tell everyone who
suffers with Rheumatism all about it. I wish
to be clearly understood, and trust that all who
are suffering with this terrible disease, however
apparently beyond the reach of cure, will write
to me this day and I will send you by return
mail this work of mine. I appeal especially to
the "chronically ill" who are wearied and dis-
couraged with doctoring and to those who have
been cast aside as "incurable." All who have
thought about Rheumatism may be wrong. Let
me tell you our experience. Surely if you have
Rheumatism, or have a suffering friend, it will
pay you to investigate my offer, anyway, and
prove for yourself these claims I make.Send me your address today—a postal card
will do, and I will mail you this wonderful story.
If you have any friends suffering with Rheuma-
tism, no matter where located, send me their
address and I will mail them a copy. My address
is VICTOR RAINBOLT, Bloomfield, Ind.Chronic Bronchitis, Blood and Sand in Urine,
Catarrh of the Bladder cured in 14 hours

Ordinance No. 15

Relating to Public Sewers and
Providing Regulations for Con-
nections With and Use of
Same in the Town of Yuma.

The Common Council of the town of Yuma

do ordain as follows:

Section 1. All franchises and privileges for
the construction of sewers in, upon, over, un-
der, across or along any of the public streets,
alleys or grounds of the town of Yuma, here-
tofore granted to private parties, associations
or corporations by either the village of Yuma,
the Mayor and Common Council of the village
of Yuma, the town of Yuma or the Common
Council of the town of Yuma, are hereby can-
celled and annulled and the ordinances and
resolutions granting them are hereby re-
pealed.Section 2. All sewers now constructed or
which may hereafter be constructed in, upon,
over, under, across or along any of the pub-
lic streets, alleys or grounds in the town of
Yuma are hereby declared to belong to the
town of Yuma and dedicated to the use and
benefit of the inhabitants thereof, subject to
such ordinances, rules and regulations, relat-
ing thereto, as may be prescribed by the Com-
mon Council.Section 3. The Common Council may, from
time to time, extend the present existing
sewers, or may construct new or additional
sewers, and add thereto, whenever in their
judgment the public service may require it.
In order to make such extensions or addi-
tions, or to construct such new sewers, it
shall not be necessary to provide therefor by
ordinance, but the same may be provided for
and the construction thereof ordered and had
by resolution entered on the minutes of the
Common Council; provided, however, that
when such extensions or additions, or such
new sewers are paid for either in whole or in
part by a special tax or by assessment of the
expenses thereof against the real estate which
may be benefited or increased in value, such
special tax or assessment must be provided
for by ordinance.Section 4. Every house or building of any
and every character in this town, in or for
which any drainage arrangements are or can
be constructed, shall be separately and in-
dependently connected with an accepted town
sewer, when such sewer is constructed on the
street or alley upon which the property abuts.
It shall be unlawful for any person or per-
sons to let, lease, rent, use or occupy any
house or building in the town of Yuma, in
and for which any house drainage is or can
be constructed as herein provided, unless
such house or building shall be by proper
drainage connected with an accepted town
sewer, when such sewer is constructed on the
street or alley upon which such house or
building abuts.Section 5. All drains outside of buildings
and to the street sewer shall be first grade,
vitrified iron-stone pipe, or cast iron, of in-
ternal diameter of not less than four inches.No vitrified pipe shall be laid within twelve
inches of the surface of the ground through
its entire course.All changes in direction shall be made with
curves or Y branches, and all connections
with Y branches and one-eighth bends.

Chapter II.

Regulations for Sewer Connections.

Section 1. All connections made with pub-
lic sewers in the town of Yuma shall be made
in the following manner, and with such
materials as are hereinafter prescribed, to-
wit: All pipes shall be first-class, sound, vit-
rified, salt glazed earthen-ware, or standard,
or extra heavy cast iron, of standard length.
Bends—Proper bends shall be used in con-
necting the pipe leading to the house with the
"Y." Said bends shall have an internal
diameter of not less than four inches.Grade and line.—The grade shall be straight
from the property line to the public sewer,
and not flatter than one-half foot fall in fifty
feet, unless allowed by the proper authority
of the town.The pipe must be at least one foot below the
established grade of the street, where said
pipe crosses the property line. In all cases
the pipe must be straight from the property
line to "Y" at bend."Y's"—Where "Y's" cannot be found a new
"Y" provided with a sleeve or collar of pro-
per dimensions, must be inserted, and care-
fully connected with the pipe sewer by means
of oakum and cement where the diameter of
the sewer does not exceed ten inches. The
"Y" to be used in making connections shall
be furnished by the town, upon proper appli-
cation for the same.Section 2. It shall be unlawful for any per-
son or persons to make any connection with
a public sewer of the town in any manner
other than as herein provided, or use in the
making of such connection material other or
different from that required by this ordi-
nance. No connection made with the public
sewer shall be covered until the same has
been inspected and approved by the proper
authorities of the town.Section 3. No contractor or other person or
persons shall make any connection with any
public sewer of the town until such sewer is
fully completed and accepted; provided, how-
ever, that when such contractor or person,
shall file with the town clerk the written
request of the resident owners, of property
abutting on the street in which said sewer is
being constructed, asking that the laterals
from the said sewer to the property line be
laid, the town council may allow such work
to be done under the direction and super-
vision of the Board of Health.Section 4. Any person who willfully in-
jures, breaks, destroys or obstructs, or in any
way interferes with any drain, trench or pub-
lic sewer, without permission of the Common
Council of the town or their authorized rep-
resentatives, whether situated on private
ground, or on any street, sidewalk or public
park within the limits of the town, is guilty
of a misdemeanor.Section 5. It shall be unlawful for any per-
son, firm or corporation, to connect any roof
conductor, yard drain, or any other vehicle
used for carrying off rain or surface water with
any public sewer of the town, or any house
drain leading thereto.Section 6. Any person, firm or corporation
having the control, either as owner or lessee,
of premises where roof conductors or other
vehicles for carrying rain or surface water

Two of a Kind.

A young lawyer, just starting
in his profession, hung out his
sign in a Connecticut town where
there was only one other lawyer,
an aged judge.A close-fisted old fellow,
thinking to get legal advice for
nothing, called upon the young
man, told him he was very glad
he had come into the town, as
the old judge was getting super-
annuated, and then contrived in a
sort of neighborly talk to get
some legal questions answered.
Then thanking the young man,
he put on his hat and was about
to leave, when the young man
asked him if he should charge
the advice, for which the fee
was \$5. The old fellow went
into a violent passion, and swore
he never would pay. The young
lawyer told him he would sue
him if he didn't.So the old fellow went down
to see the judge, he found him
hoeing in his garden, and said:
"That young scamp that's just
come into town! I dropped in
to make a neighborly call on
him, and he charged me \$5 for
legal advice.""Served you right," said the
judge; "you had no business to
have gone to him.""But have I got to pay it,
judge?"

"Of course you have."

"We, then," said the man, "I
suppose I must," and he started
off."Hold on!" said the judge;
"aren't you going to pay me?"

"Pay you! What for!"

"For legal advice."

"What do you charge?"

"Ten dollars."

The result was that the old
fellow had to pay \$5 to the
young lawyer and \$10 to the old
one.—Punxsutawney News.

Weak?

"I suffered terribly and was ex-
tremely weak for 12 years. The
doctors said my blood was all
turning to water. At last I tried
Ayer's Sarsaparilla, and was soon
feeling all right again."
Mrs. J. W. Fiala, Hadlyme, Ct.No matter how long you
have been ill, nor how
poorly you may be today,
Ayer's Sarsaparilla is the
best medicine you can
take for purifying and en-
riching the blood.
Don't doubt it, put your
whole trust in it, throw
away everything else.
\$1.00 a bottle. All druggists.Ask your doctor what he thinks of Ayer's
Sarsaparilla. He knows all about this grand
old family medicine. Follow his advice and
we will be satisfied.
J. C. AYER CO., Lowell, Mass.are connected with public sewers or house
drains running thereto, shall disconnect
the same within thirty days after the passage
of this ordinance.Section 7. It shall be unlawful for any per-
son, firm or corporation to connect or cause
to be connected, with any public sewer of the
town, either directly or through one or more
private sewers, any property that is not in-
cluded in permits from the proper authori-
ties of the town for the making of such con-
nections with said public sewers.Section 8. No person, firm or corporation
shall place, deposit or throw, any solid sub-
stance whatever into the public sewers, man-
holes or flush tanks of the town. No person,
firm or corporation shall in any manner
empty or deposit the contents of any cesspool
or depository of any kind into the public
sewers of the town.Section 9. Every person, firm or corpora-
tion owning, operating or having charge or
control of any livery stable in the town, which
is now or may hereafter be connected with
any public sewer of the town, is hereby re-
quired to provide said stable with a sand-box
so made and connected that the same will
catch and prevent the dirt washed from the
vehicles of said stables from going into the
public sewers of the town. No connections
from any premises wherein steam boilers are
used shall be made with the public sewers of
the town unless provisions are made to the
satisfaction of the proper authorities for pre-
venting sediment and scale when blown out
from the boilers from being deposited in the
sewers.Section 10. Any person or persons violating
or aiding or abetting in the violation of any
provision or requirement of this ordinance
shall be guilty of a misdemeanor, and on con-
viction thereof shall be fined in any sum, not
less than ten nor more than three hundred
dollars.Section 11. This ordinance shall take effect
and be in force from and after its passage and
publication.Passed by the Common Council of the Town
of Yuma, this 3rd day of March, A. D. 1903.R. S. PATTERSON,
Mayor.Attest:
J. L. REDONDO,
[Seal] Town Clerk.

First pub. March 25, 1903.

THE OLD RELIABLE

THERE IS NO SUBSTITUTE

Dad Was Doing Well.

Apropos of the recent abo-
lition in Vermont of the high-
licensed law, Representative
Foster of that State tells an
anecdote about an old farmer
who never had a ache or a pain,
but who nevertheless, thought
he ought to have a doctor, be-
cause he had never had one.The interview was to the point,
the farmer asserting that he
could eat as far as he could see
on both sides of the table, and
that he slept so well he didn't
get up till it was time to do the
milking."You are in perfect health,"
said the doctor to the farmer,
after making a physical exam-
ination, "but you are in the de-
cline of life and perhaps you
ought to take a tonic, something
like a little rye whisky.""Oh," said the farmer, "I
could never do that. I have a
son and that would never do.""Who is your barber?" queried
the doctor."I shave myself," replied the
farmer.

"Well," rejo
